

Island Gas Grills

MG2060

MG2030

Island Gas Grills *Cooking outdoors just makes sense.*

Enhance your home, your lifestyle. Take the fun outdoors with friends and family.

These island grills are a perfect blend of quality construction and performance, design and practical functionalities of a kitchen ... for a unique outdoor experience.

Equipped with 5 burners with individual igniters, 1 infrared back rotisserie burner, 1 infrared side burner, sturdy sliding side shelves that extend your working area, an ice box, side shelves have countertop tile in marble look, halogen nighttime grill lights (MG2060 only), large designer knobs, and a full-length drip tray.

And lots of storage space...

A large center cabinet with full width and depth inner shelf, one side cabinet and a practical sliding gas tank support for ease of access and servicing.
